A hand-drawn illustration of a person with long, dark, straight hair covering their face. They are wearing a white t-shirt with the word 'DETH' in red, stylized letters. The person is holding a knife with a red blade in their right hand. The background is white with some blue scribbles at the top.

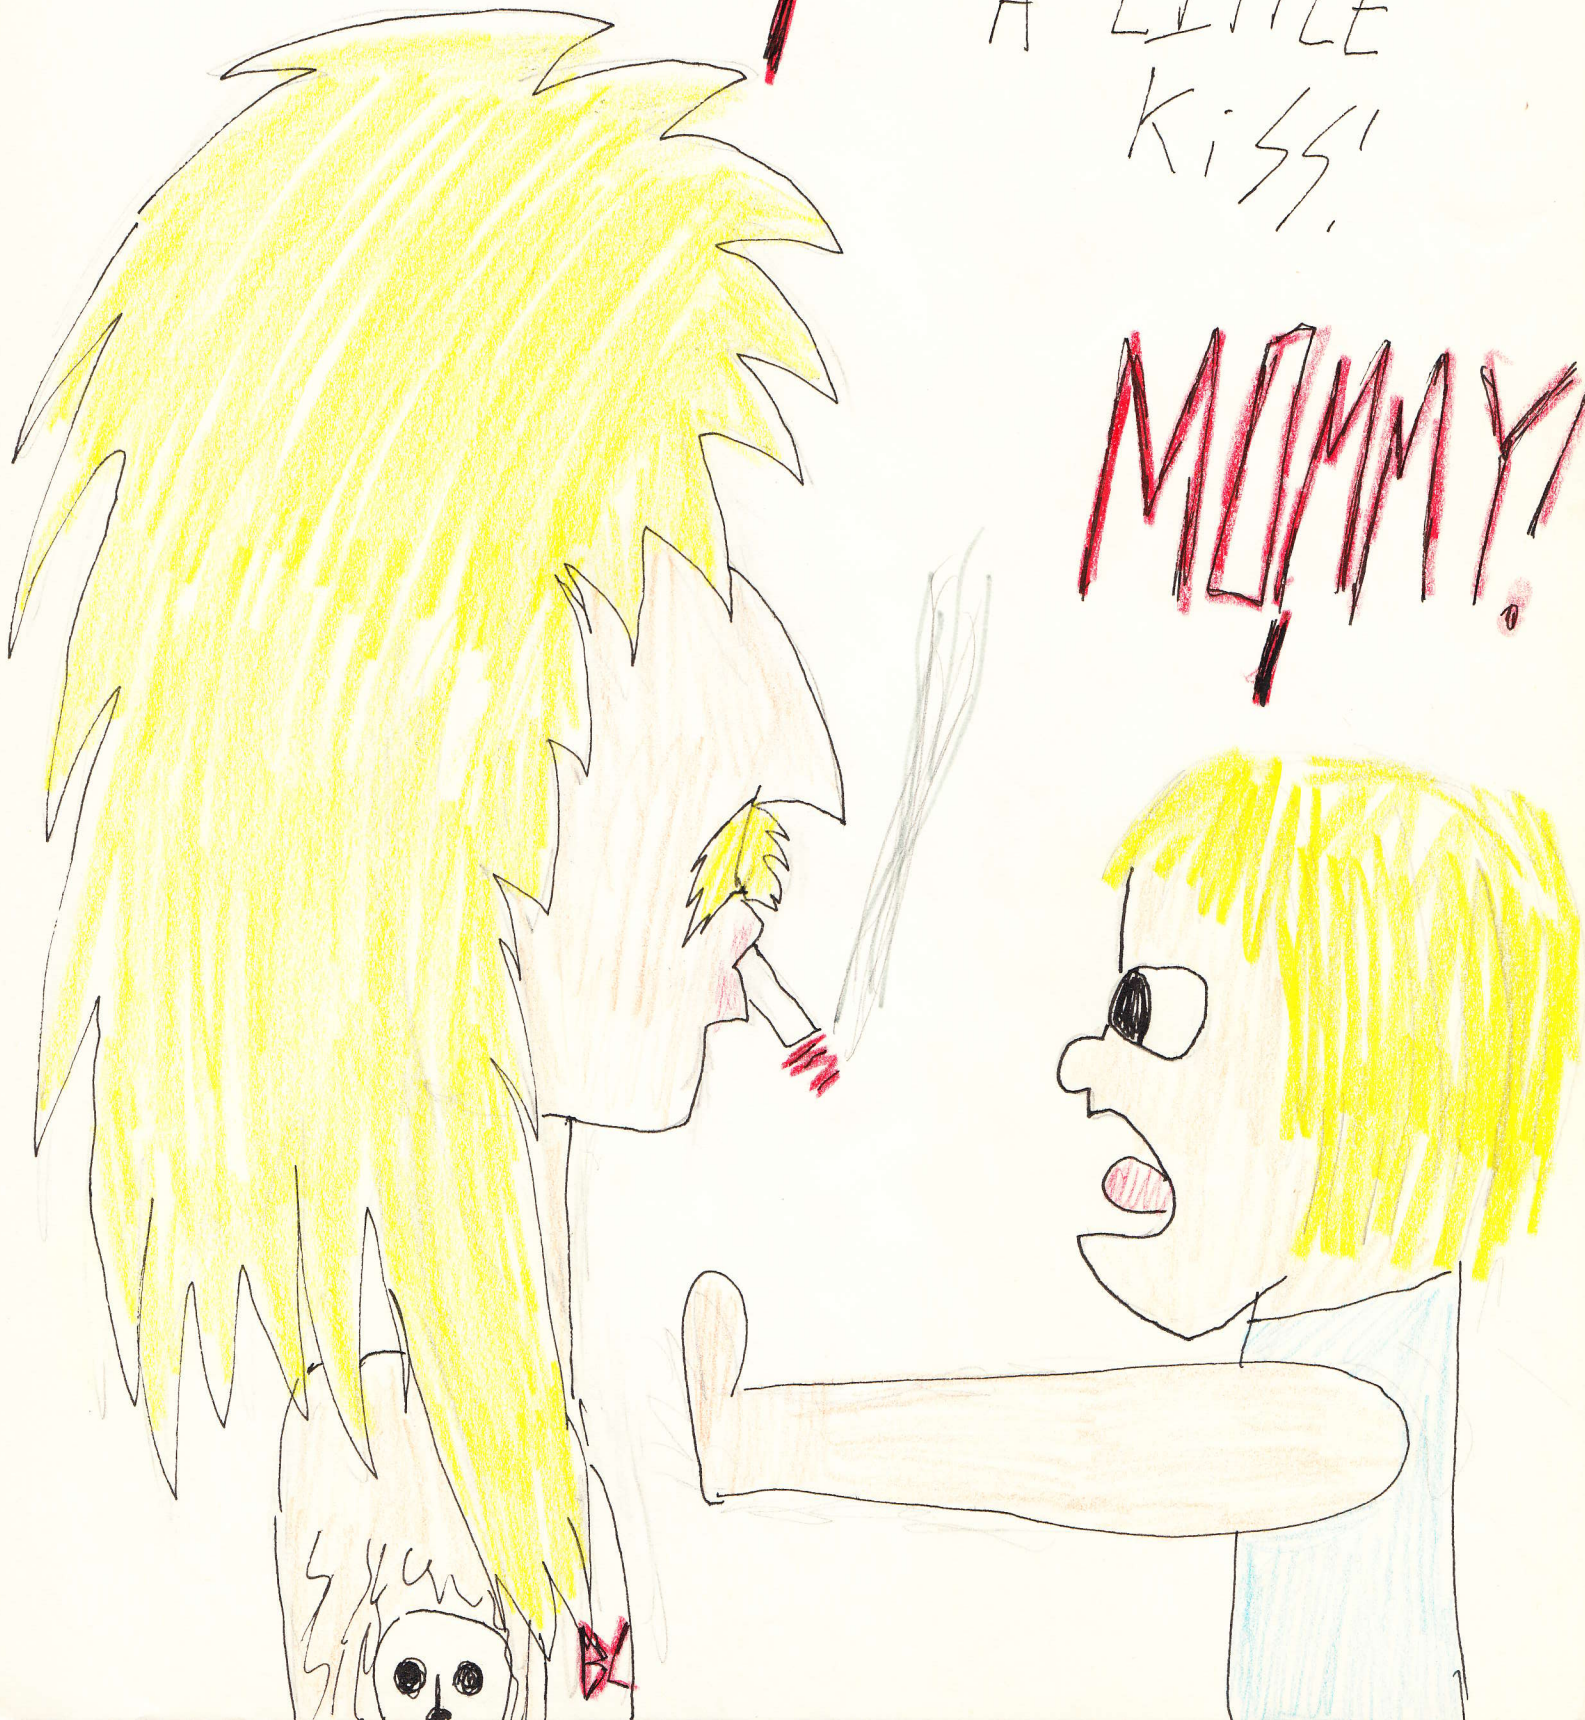

A hand-drawn sketch of a hand, palm facing forward. The hand is colored in a light tan or yellowish hue. There are two prominent red 'X' marks on the palm, one near the base of the fingers and another further down. On the fingers, there are black ink marks: a thick black line across the middle finger and a smaller black mark on the ring finger. The drawing is done with black outlines and colored pencils or markers.
